AREC UB-01/ UB-01M Recording Light works with all AREC LS/KL Media Stations and makes it easy for presenters to see if AREC Media Station is recording or stopped.

- Pressing the touch panel to start/stop recording
- The indicator light turns red as recording. When the recording stops, the red light will go out
- Supports video recording and file exporting via USB storage device
- With flush-mount design, UB-01M can be easily installed on a lecture table or digital podium

- 1 Recording Light
- 2 One-Touch Recording
- 3 Top USB Port
- 4 USB 3.0 Micro-B
- 5 Power Supply
