

Release Note KL-3W v2.7.3.36

New Features

- 1. Fix "Scheduler didn't synchronize if no change in the calendar after two consecutive synchronizations"
- 2. Fix "Stream status didn't synchronize on mini controller when the stream was started from other UI"
- 3. Add RS-232 commands switch the display's toolbar ON/OFF
- Notice: During the firmware update progress, please always keep the power on to prevent permanent system unstable or damage.
